AERZENER MASCHINENFABRIK GMBH  
ATTN QA/QC : MR. OI. TANNER  
REHERWEG 28  
31855 AERZEN  
GERMANY

The Hague, July 25, 2024  
AOC Ref: AA/IL 107000280972

**SUBJECT: MATERIALS STATUS**

**Vendor ID: 10029902- Plant ID: 30006725**

Dear Mr. Tanner,

As a result of assessment to de-link materials, conducted on **MAY, 9<sup>th</sup>, 2024**, we are pleased to inform you that relevant material was de-linked and your company is **Approved with limitations** to supply the 9COM material(s) listed in the attachment.

This approval is granted for your manufacturing plant **AERZENER MASCHINENFABRIK GMBH in AERZEN, GERMANY.**

The approval is limited to the above manufacturing plant address. Materials manufactured at any non-approved plant will be irrevocably rejected. The outsourcing of assembly and final test activities is not permitted. The Saudi Aramco (SAO) standards, specifications and procedures relative to your materials stipulate any additional restrictions in the outsourcing of manufacturing and testing activities.

This approval should not be regarded as a commitment from Aramco Overseas Company (AOC) to purchase materials from you. However, your company will be invited, along with other approved suppliers, to respond to requests for quotation in accordance with AOC's established purchasing policies and procedures.

It is the responsibility of the manufacturer to notify AOC in a timely manner of any change of company name and/or address, change of manufacturing location (sub sourcing fabrication of major components) and/or discontinuance of production of approved material(s). The notification should be presented on your company letterhead paper, signed by Senior Management and addressed to the AOC Supervisor Sourcing & Supplier Relationship Management (SRM) Unit at [SRM@aramcooverseas.com](mailto:SRM@aramcooverseas.com).

Important note: In case of change of the manufacturing location or 9COM(s) relocation, the approval of the new manufacturing plant is at the discretion of Saudi Aramco and may be rejected. Consideration for approval of your new plant depends, amongst others, on the criticality of the material, and the present number of Saudi Aramco approved manufacturing plants worldwide.

Please quote the above referenced Vendor ID and Plant ID in all future correspondence.

For any questions regarding this notification, please use the before mentioned email address.

Yours faithfully,

Signed by:
